The Delta Kappa Gamma Society International of New Mexico

Are You Coming to Grants?

Just below Mt. Taylor, is the city of Grants, you'll find Delta Kappa Gamma at the 2016 State Convention (sing to the tune, *On Top of Old Smokey*). I hope that starts to get you in the mood. The sisters of West Council cordially invite all Theta State sisters to the **2016 Theta State Convention in Grants, NM, from April 29 - May 1.**

Of course, new chapter presidents will be installed, and outgoing presidents will turn over the reins. Theta State will conduct its business with the Executive Board and the general membership. If you want to know what goes on at the state level, you do not want to miss this convention.

Our International representative will be **Tamara Flores Hernandez**. Tamara is the Latin American Representative on the Administrative Board of DKG International. She is president of Alpha Chapter, San Luis Potosí, Mexico. **Tamara** will also be leading a workshop.

The convention is a great opportunity

for personal and professional growth. A variety of workshops are planned (as well as Tamara's workshop):

- ⊕ **BJ Johnson of Psi Chapter** will present a workshop to tell you how to make a simple, fun, inexpensive gift or table decoration. Candy Bouquets are the way to go! (Double session)
- ⊕ **Dianna Valdez, Theta State Treasurer**, will cover up-coming treasurers responsibilities... audit/review, Spring initiations, contribution forms, FORM 15, and more. Please send your treasurer to this workshop!! We will also cover some non-dues revenue possibilities.
- ⊕ **Deb Miller, Psi Chapter**, will present her testimony on her weight loss journey and how it impacted her health. This workshop will include a cooking demonstration - a tasty healthy dish.
- ⊕ **Brooke Ratliff, Psi Chapter**, will use a PowerPoint demonstration to inform Theta State about *Teachers Pay Teachers*, a wonderful way to earn money selling great ideas to teachers in the field.
- ⊕ **Yvette Moore, Theta State Editor**, will present *Archiving Your Chapter*. This workshop is for anyone who wants to preserve the past as Delta Kappa Gamma moves into the future.

SEE YOU IN GRANTS!!!

Women Teachers to the Calling . . .

Ring..... Ring.....

Hello,

Oh, it seems like such a long time since we last visited. I guess it has to be the busy schedules we all have these days. But you know making time for the sisters of Delta Kappa Gamma is something I look forward to. I have heard of great things from different chapters that are working on the state wide project to improve the individual chapters and our sisters. I hope we have time to talk more during the state convention to share how great our sisters are doing. Unfortunately, we have a couple of chapters who are struggling and need our support. Please keep the sisters in Los Alamos and Portales in your thoughts.

I have sent in my registration for the state convention in Grants. Believe it or not, I was actually early for a change, the convention is April 29, 30 and May 1. Yes, the registration form is online and in the Theta State News. Now, I just need to make my reservations at the Quality Inn. I am so excited to meet all the new incoming Presidents. I love how this brings new faces to our state conventions every year. Yes, Yes, of course I dearly enjoy our sisters who come every year. I get so inspired by all that women teachers in New Mexico do for our communities and children. It would be interesting to see just how many hours of community service our members do through school, Delta Kappa Gamma, church and so many other groups. I think we would be amazed.

I was telling my family about my travel plans for the spring. I am going to Silver City to the annual joint meeting with Deming. It is always a

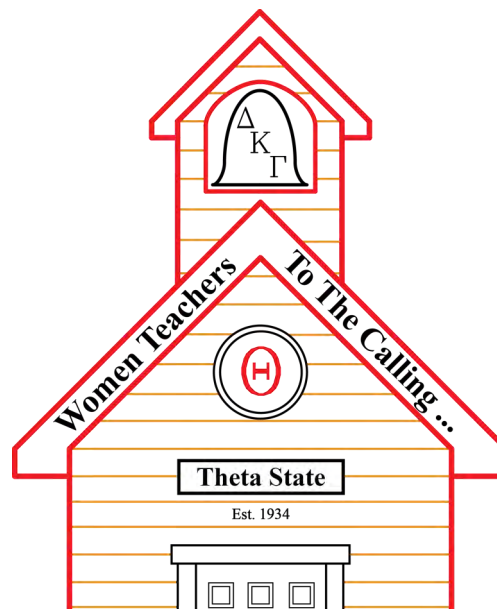

good time. I did just get back from the CCC luncheon in Albuquerque. Those ladies know how to plan a great luncheon! We had good food and the speaker was so entertaining. I would like to see her again when we have more time.

Oh, for school, I will go to Albuquerque, T or C, Carrizozo, Las Cruces, Silver City, Socorro, and then back to Las Cruces for 4 days. All before going to Grants. Good thing I like to travel and work with FFA and science fair kids. No, James does not get to go to most of those trips, but I will make it up to him when we go to Nashville in July. I have never been in a big city for the 4th of July. I hope we have some time away from meetings to enjoy some of the activities. Maybe we will have a big group go to the International Convention like we had go to the SW Regional. I truly enjoyed that trip. I have also started to save to go to Hawaii in 2017. It has always been on my "one of these days" places to go.

Thank you for answering the call. I enjoyed our talk and can hardly wait for next time.

Committee Communiqué

Educational Excellence

What is your chapter doing to promote Educational Excellence? What I learned in Wichita, Kansas, was chapters should develop activities, projects, and programs that: 1)empower women through leadership opportunities; 2)promote educational excellence through programs and projects; and 3) change global awareness through collaboration worldwide.

Some ideas include: Volunteer for a Literacy or tutoring program, service projects in your community,

welcome bags and gifts to new educators and have a book to share project--bring and donate children's books to a new educator.

We were challenged in Wichita to go with what your chapter and state organization is passionate about. So, if your chapter isn't promoting Educational Excellence, it's time to pick your passion and get started.

Wowed by VanAnn Moore at CCC Luncheon

I have had the opportunity to see **Ms. Moore's** performances three times. Every time, I enjoy and appreciate how she engages her audiences, her beautiful soprano voice and the gorgeous set and costumes. All her characters come from the History of N.M. and notable ladies from the past. She takes on every character she's depicting with enthusiasm, grace and, of course, so much knowledge of the women's experiences. This was her first time portraying the "Great Sopranos" roles. She said she was very nervous, but she did a fantastic job!! All the women in attendance seemed to enjoy the very different program for a CCC Luncheon; it was all made possible by a grant written by **Beverly Stern**, President of **Alpha Beta** in Valencia County. This Grant was through the Humanities Council of N.M. and **Jacoba Baca. VanAnn** is a friend of several women in the chapter. She has shared with us that she had a great time doing her show for all of us dedicated and wonderful educators! Thank You - to all who attended.

Alpha Iota Chapter

Alpha Iota proudly welcomes **Barbara Shirrod** and **Susan Deese-Roberts** as new members of our chapter. The initiation ceremony took place at the home of **Betty Begeal**, January 30, 2016. **Jean Leonard**, past president of Theta State, presided. **Barbara** spent 37 years as an elementary educator including 25 years at the **Manzano Day School** in Albuquerque. **Susan**, a Professor Emerita at **UNM**, has been a professional educator for 39 years. Welcome to our chapter, **Barbara** and **Susan**!

At our January meeting, the members voted to donate out of our budget one dollar for each member to Schools for Africa. Delta Kappa Gamma has been promoting this charity for some time. School supplies for needy children at **Mark Twain Elementary** in Albuquerque are donated by members of Alpha Iota at every meeting and event they attend.

Diane Bonnell and **Donna Moore** presented "Fun with Scarves" for the program at our meeting. They gave scarves to everyone present and led the group in mastering many chic ways to wear them. We enjoyed watching each other try to perform some of the more intricate tying maneuvers. Fortunately, we were given handouts with details and pictures of the way to achieve each style. Now, we can practice at home.

Fourteen members of Alpha Iota attended the CCC luncheon at **St. John's United Methodist Church** in Albuquerque Saturday, February 6. Three chapters, who were responsible for the gathering, were acknowledged: Alpha Iota for arrangements; Gamma for decorations; and Alpha Beta for program. The program, "Great Ladies of the Old Western Theater", was presented by **VanAnn Moore**. With action and song, **VanAnn** impersonated several of the amazing women who traveled the Camino Real and other trails throughout the US. The program featured beautiful music, masterful acting and history interspersed with humor.

Alpha Delta Chapter

Alpha Delta Chapter initiated and welcomed **Leesa K. Trapp** into DKG on January 9, 2016 at 1:00 p.m. at the home of **Carmen J. Pennington**. A luncheon was held after the initiation, and then the chapter meeting.

Leesa Trapp retired from the Albuquerque Public School system last year. She had been teaching since 1975. She is involved with FCCLA District and State Competitions. She is involved with AAFCS and ACTE. She received her Master's degree in Secondary Education. Since her retirement, she has been traveling.

Leesa's goal is to become involved with mentoring teachers who are just entering the educational system. She is looking forward to becoming involved with DKG.

Omega Chapter - Las Cruces

Omega was delighted to be invited to **Sharon Sevachko's** spectacularly decorated home for a December family social. A 20-foot Christmas tree (top was decorated from the second floor balcony) greeted attendees. Members also brought wrapped presents to be gifted to new teachers in the Las Cruces Public School district.

The February meeting was highlighted with a presentation by **Yvette Moore** on the topic of "Professional Dress". One outstanding point: Your dress is not so much about YOU, but about your RESPECT for THE PEOPLE that you are meeting (administrators, parents, and YES, even students).

Purses filled with "goodies" were collected for donation to the homeless at **City of Hope**.

An informative program on the multiple uses of essential oils was presented at the February meeting. "The Pennies for Africa" project was concluded as teams turned in their final count (totals to be determined).

Omega members have an opportunity to increase the amount on hand for our scholarship fund. A frog (stuffed) decorated in "teacher motif" is being auctioned off with the winner to be determined at the May meeting.

Epsilon Chapter - Silver City

Just a few activities have been happening at **Epsilon Chapter**, and we have been anxious to share them with our sisters around the state. Our first event was a Teacher Recognition program in May to honor teachers in the two school districts, **Silver and Cobre Consolidated Schools**. Next in line was our annual Craft Fair before Thanksgiving. We deposited **\$800** to our scholarship account. **\$250** was awarded to one of our chapter teachers, and an additional **\$250** will be awarded to an applicant in April. The next activity was our annual Christmas Party, celebrating the wonderful holiday season. We are in the process of growing our chapter and look forward to initiating new members in April. Finally, we are going to the DKG State Convention in April where we look forward to seeing all our DKG sisters!

collaborated to create a breathtaking 10 feet by 4 feet stained glass window for **St. Teresa's Catholic Church in Grants.**

churches). **Alicia** eagerly joined in and added the calligraphy and other details to the bottom section of the scene. The window beautifully portrays **St. John the Baptist** baptizing **Jesus**. **Jaramillo** and **Gallegos** shared the meaning of the symbols in the project as well as some of the personal touches such as the flowers drawn by the commissioner of the window, the grandchild and church member models for the cherubim and **Alicia's** father's opened hands at the top of the window. **Psi** is blessed and thankful to have such talented women in its chapter! The picture doesn't do it justice. **Come to Grants for the convention April 29-May 1 and you can appreciate it in person!**

Gamma Chapter

Gamma continues to have outstanding speakers at chapter meetings and makes community service an ongoing priority.

In January, **Peggy Jackson**, Gamma member, was our speaker. Her topic was "Armchair Advocacy", and she shared simple tips on ways to keep updated and to have a voice on important educational issues at the local, state, and national level. **Peggy** has advocated for important issues, including putting civic literacy and social studies education back into the federal Elementary Secondary Education Act (ESEA) in its latest recently passed iteration. She is also the President-Elect of the National Council for the Social Studies.

Our March guest speaker will be **Sonya Romero-Smith**, teacher at Lew Wallace Elementary School. Because of her work with two foster children, **Sonya** was recently recognized twice on "The Ellen Degeneris Show," receiving significant gifts from the

television host for her family and her school. As a result, **Sonya** has been asked to speak across the country about her passion, equity and justice for our smallest and poorest citizens, our student in schools. You won't want to miss this program, and we welcome guests from other chapters! Please email **Pat Graff**, Gamma president, at PGraff@aol.com by March 17 if you wish to attend.

Our March meeting will be on March 19 instead. It will be 10 a.m.- 12 noon at Heights Cumberland Presbyterian Church.

Gamma members contributed significantly to the CASA program during the holidays to provide gift cards and other gifts for children in this program. Members also contributed toiletries to the Title I Homeless Program in January, created decorations for the Central Coordinating Council luncheon in February. and will do hours of preparation for the state English Expo in February.

New Gamma Initiates

In December, Gamma chapter initiated two newest members— **Andrea Fletcher** and **Kathlyn “Kat” Graham!** **Andrea** teaches inmates at the Metro Detention Center and is also an accomplished yoga instructor. **Kat** is a National Board Certified Teacher in math at La Cueva High School, and has

spoken at local and state meetings about her work with essential oils!

Gamma is proud to be initiating two more new members at the March 19 meeting: **Melanie Telles** and **Mary Fugate**. Please come celebrate our latest amazing members at this meeting! More on these two outstanding women in our next newsletter!

Red Roses for Gamma!

Several members of **Gamma Chapter** are involved in leadership positions in the federal SEED grant for professional development which has been awarded to the ABQ Network To Transform Teaching (NT3). The first grant was a cooperative effort involving ABQ Public Schools, APS charter schools, and the ABQ Teachers Federation. It provided **\$1.5 million** to recruit and support National Board candidates and to build classroom-based teacher leadership positions. The grant started in January 2014 and will finish in June 2016.

Pat Graff, Gamma president, has served as the co-coordinator for this program. In addition, Gamma member **Kat Graham** has been working as the program’s website manager, building the ABQ NT3 website at www.abqnationalboards.org.

In October, it was announced that the ABQ NT3 program will be expanded in a second round of the grant to continue recruiting and supporting National Board candidates and to build more

classroom-based teacher leadership opportunities throughout the state! No firm amount for this second grant has been announced, but in the next year it will provide **\$700,000+** for these activities.

Serving as the state coordinator for this new NM NT3 grant is **Pat Graff**. In addition, **Evelyn Sanchez**, Gamma vice-president, will work as her assistant, focusing on statewide outreach. This grant work has begun and will continue until June 2018. Currently, outreach partners in the state will include APS and its charters, Taos Municipal Schools, Santa Fe Public Schools, and a coalition of districts in the Four Corners: Farmington, Bloomfield, Aztec, and Central Consolidated District.

Theta State members interested in more information on this program should contact Pat Graff at PGraf@aol.com.

DKG Educational Foundation Hosts Nashville Event at the Wildhorse

Dust off your western wear and boots as you pack for Nashville this summer! The DKG Educational Foundation (DKGEF) will sponsor *Call Me Country* at the world-famous **Wildhorse Saloon** during the 2016 DKG International Convention. All DKG members and their guests are urged to purchase tickets when registering for the convention, either online (www.dkg.org) or using the registration form found in the Jan./Feb. issue of the *DKG News*.

Plan to spend Thursday evening, July 7th in the **Wildhorse Saloon** located in the heart of Nashville's entertainment district. This three-level historic warehouse has been converted into a 66,000 sq. ft. country music dance hall, restaurant, concert hall, and TV production site. Horse sculptures and murals dominate the décor with many positioned for optimal "selfie" opportunities! The extensive "all-you-can-eat" buffet on levels two and three features award-winning BBQ selections and numerous side dishes.

The first floor features space for performances by a live band and a DJ, as well as line dance instruction for those wanting to kick up their heels. Besides dining seating, the second and third floors include cash bars and a variety of entertainment venues ranging from billiards to shuffle board to big screen TVs. Use your visit to the **Wildhorse** as an opportunity to wander in and out of all the famous clubs and shops located in the area — with a ride home to the Opryland Hotel provided at your convenience.

Your ticket (\$165) includes:
