Theta State to Celebrate 80th Birthday

Inside the New Mexico Senate, Boots, Suits and Citizens

Theta State of Delta Kappa Gamma is pleased to announce that our Fall

Birthday Luncheon speaker is retired New Mexico Senator, Dede Feldman, who will be bringing us memories and excerpts from experiences she had

while serving in the Roundhouse. Many of these are contained in her new book *Inside the New Mexico Senate, Boots, Suits and Citizens* (2014 - UNM Press).

According to www.dedefeldman.com, "it [the book] is a history of our state legislature with a human face." Dede tells about "maverick leaders, shameless special interests and earnest advocates clashing in our unique setting. She brings these stories alive, stories of grit and grace, honor and disgrace." This presentation about advocates, participants and citizens of New Mexico

promises to be thoroughly enjoyable. Her book will be sold at our luncheon.

Dede Feldman has had a varied career as a journalist, high school and university teacher, and the owner of a small public relations business. As a State Senator from District 13 in Albuquerque's North Valley since 1979, she has had a big impact on the lives of women, children, and struggling people and sponsored several successful initiatives. She also sponsored the "Do Not Call" bill prohibiting unwanted telephone solicitations. During her career, she has received numerous awards. She currently serves on the boards of the New Mexico Foundation for Open Government, Health Insight New Mexico, and the Robert Wood Johnson's Aligning Forces for Quality.

NM Takes Indy by Storm

Eleven New Mexicans proudly represented Theta State at the 2014 Delta Kappa Gamma International Convention in Indianapolis, Indiana. We brought cool weather and rain to Indiana. It is usually 90 degrees with 90 percent humidity

at the end of July!

Even though the weather outside was cool, Indiana Night heated up The Society with a concert by the Wright Brothers (accorded fame at the Grand Ole Opry, and in the film,

Overboard).

Ina Jean Barnes has written an account of the convention, and you can read about Constitutional decisions made at the convention on pages 7 through 9 in this publication.

Strengthening the Bond; Strengthening Theta State

Dear Sisters,

The 2014 DKG International Convention in Indianapolis was an amazing experience for those of us who were able to attend. I had a dream that I was in another beautiful city with beautiful sites, music, and entertainment, and all my Theta State sisters were there with me taking in the excitement of yet another International Convention; but this time, we were in Nashville, Tennessee. Yes, it was a dream in the year 2016, but I'm telling you about it to *encourage* you to make plans to attend right now!

As a matter of fact, I want to *encourage* you all to do several things as you have been such an *encouragement* to me throughout the past year and have *encouraged* me to continue in spite of tough times. So, please take a few minutes to read this article as I *encourage* you, a key woman educator.

First of all, I want to *encourage* you to embrace that very first purpose of DKG - to unite in a genuine fellowship with other key women educators. Take advantage of your chapter meetings to *encourage* those who are still in the classroom and those who are still important to the field of education. Seek out the new educators in your area or district and embrace and *encourage* them.

Encourage your chapter to take part in the State Project by providing workshops to support early career educators. Project chair, Pat Graff, has *encouraged* all of us by providing us with a template for a local chapter program, and she has extended the deadline to receive funding TS has received

through the Lucile Cornet Professional Development Grant.

I *encourage* you to follow the 2nd purpose of DKG - to honor women who have given or who evidence a potential for distinctive service in any field of education by looking for chapter members to honor first, then look outside your chapter at other women educators who need to be recognized. I *encourage* you to ask these ladies to join us.

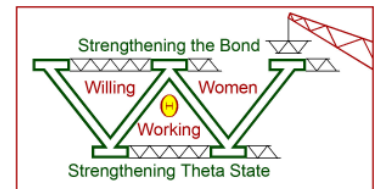

I also *encourage* you to continue the other purposes of DKG starting in your own chapter by hosting programs to educate, endorse and support legislation that is in the best interest of education. Provide programs that stimulate the personal and professional growth of your chapter members. I *encourage* you to make an effort to inform your members of current economic, social, political and educational issues that affect us all!

I *encourage* you to take advantage of the scholarships that are available to you in pursuing educational studies. Remember there are grants available for non-member women educators as well. Who knows, you might be *encouraging* someone to become a key woman educator.

And finally, I *encourage* you to take all of these things and share them with your DKG sisters in Theta State in November at the fall meeting in Albuquerque. Join us in Santa Fe in April at the 2015 Convention. You have wonderful sisters in the Southwest Region of DKG who would love to see you next summer in Wichita, Kansas, at the Southwest Regional Conference. As 11 of your Theta State sisters just

Theta State Sisters Form a Bond - Leadership 2014

Chapter presidents, officers and members attended the 2014 Leadership Development Seminar. **Nola Miller** planned activities that had attendees “jumping through hoops.” Each state officer and some committee members held “mini-seminars” to prepare chapter officers for a biennium of excellence. On Friday night, many went to *Les Miserables* in Albuquerque.

All attendees were assigned to a small group to learn about growing their chapters, finances & forms, TSN & record keeping, their responsibility to the Executive Board, mentoring early career educators, strengthening their chapters, and educational excellence & chapter programs.

Before and after each break, quotes from **Vince Lombardie** were read. **Lonna Griffin**, Chair of the Leadership Development Committee, created an experience that enhanced the attendees knowledge of leadership and their roles in the chapters.

realized in Indianapolis, you have thousands of sisters around the world who are key women educators, and like yourself, who are waiting and preparing to *encourage* you on July 5-9, 2016, in Nashville, Tennessee.

I hope you feel *encouraged* to take on a new year. I *encourage* you to let me know what is going on in your chapters and perhaps I could visit you soon. So in the weeks and months ahead, take courage and know that your sisters are here for you!

Respectfully, with love and *encouragement*,

Sheri Williams

Theta State President

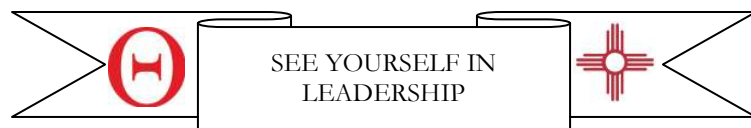

Jeannette Vigil presented a crash course in utilizing technology. **Yvette Moore** presented *Leaders Rock to the Music*, where attendees determined their leadership style based on the selected music she preferred. **Carmen Tapia** presented the Bylaws. **Kay Hannum** taught the attendees about parliamentary procedure. **Carmen Pennington** and **Ina Jean Barnes** informed attendees about the new apprenticeship program. Attendees were inspired by **Katie Snapp**, author of *Skirt Strategies*, during lunch on Friday.

Unfortunately, **Lonna Griffin** was unable to attend, but she is much

Santa Fe High School Names New Principal

Mary Massey is the new principal of Santa Fe High School, the city's largest. The former journalist taught English at Santa Fe High some years ago and most recently served as one of its assistant principals. She is the fourth person to take the job in the past five years.

The announcement of her appointment came less than two months after the district named Patrick Lenihan as principal of the school. But last week, Lenihan told Superintendent Joel Boyd that he is relocating to Washington state for both personal and professional reasons.

Lenihan had served as interim principal since January, when the district reassigned former Santa Fe High principal Leslie Kilmer to the position of athletic director for Santa Fe Public Schools. Kilmer had been principal of Santa Fe High School for about a year and a half, succeeding Robbie Stevens, who had been principal for two years.

Massey and her husband, Associated Press reporter Barry Massey, previously worked as journalists in Washington, D.C., before coming to Santa Fe.

After her first year of teaching, she became journalism adviser for Capital High School before becoming that school's instructional

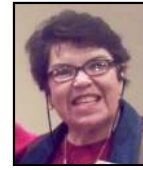

Pauline Keene, third President of **Upsilon Chapter (Gallup)**, was initiated on January 29, 1960. She will be celebrating her 100th birthday on September 9. She taught elementary school for many years at Jefferson Elementary in Gallup, New Mexico. **Upsilon members are asking for your support in sending her a birthday card for this event.** We hope to be able to have 100 birthday cards sent to her even if it they are received after her birthday. Her address is **511 Julie Dr., Gallup, NM 87301**. Due to her health, the big celebration for her birthday will not take place as previously planned by Upsilon Chapter. Pauline enjoys reading the Theta State News and hearing from her DKG sisters. Please consider sending Pauline a card which she can enjoy at her leisure.

coach. She then worked for two years as assistant principal at Pojoaque Valley High School before coming to Santa Fe High School in the summer of 2012. [Mary is a member of Beta Chapter, Santa Fe]

According to its website the school has about 1,650 students in grades 9 through 12. It received a B rating in the Public Education Department's school-grading system.

Clara Enriquez has been selected as the **Outstanding Member of the year** for the **Gallup McKinley**

County Association of Educational Retirees for 2013-2014. She will be recognized at the Retirees' State Convention along with other state-unit outstanding members. She is pictured above. Clara served as secretary for this group for two terms and has been actively involved in monthly meetings and in contacting legislators in educational matters.

Amanda Matray was honored as the "Outstanding Alpha Delta Chapter Member of DKG for the 2012-2014

Biennium." **Amanda Matray** contributed so much by her involvement in her chapter, Theta State and International. **Amanda** was the Alpha Delta Parliamentarian, and Research Co-Chairman for Alpha Delta. She gave workshops at Theta State Fall Conferences and State Conventions. She has attended many International Conventions since she became a DKG member. She is always willing to help in any way for the good of DKG. **Amanda** is presently the Theta State Chairman for Communications, and 1st VP of **Alpha Delta** Chapter. Amanda is now working on her Master Degree.

Technology Tip!

Have you checked out the new look of the Delta Kappa Gamma Website?

You can now explore the site on your iPhone, iPad or Android phone. "There's an app for that!"

To download the Delta Kappa Gamma App go to the App Store on your iPhone *or* the Play Store on your Android phone.

Search for "DKG." You will see the red rose with the initials DKG on it, install the DKG app and you will have mobile access to the Delta

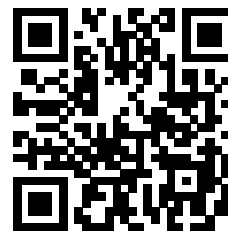

Kappa Gamma Website.

The Delta Kappa Gamma website offers many exciting options. In addition to the basic information - DKG newsletters, forms, DKG Store, etc. - the mobile website also offers a QR Code Reader (*QR code* (abbreviated from *Quick Response Code*) is a machine-readable optical label that contains information about the item to which it is attached. A QR code uses four standardized encoding modes to efficiently store data; extensions may also be used. Applications include product

information, product tracking, item identification, time tracking, document management, general marketing, and much more. Download your Delta Kappa Gamma App today!

US Forum Connection

Jones Loflin, US Forum Speaker, led participants through a process of the five C's, Creating a vision of success, Constructing a shared sense of urgency, Communicating to the right people, Crafting small concrete steps to success, and Celebrating small victories. He stressed that a shared sense of urgency can only be created by focusing on what others might gain, what they might lose, or what they have as a personal connection to the issue.

Using this process, the regions identified the following key legislative

issues:

- 1) Non-educators, especially corporations, controlling education;
- 2) The detriment of tying student test scores to teacher evaluation/performance pay;
- 3) Human trafficking and its implication to children's lives and education; and
- 4) Progress of our students and school safety issues for students and educators.

The regional representatives and members will continue to focus on these issues throughout the

biennium.

Report submitted by Sherry Watkins
For those of you desiring discussion of legislative topics there is a U. S. Forum Facebook page online at <http://www.facebook.com/>

International Speaker's Fund Seeks Applicants

The International Speakers Fund (ISF) Committee is seeking applications for members to participate in this program. An interactive Speaker's Application Form is available on the website as a download at <https://www.dkg.org/content/speaker-application-2014>. These applications must be returned

by e-mail attachment to International Headquarters at isfapp@dkg.org by September 15.

Established in 1984, ISF facilitates exchange of Society speakers among member countries and helps unite women educators of the world. The ISF Committee selects speakers from among the applicants. An ISF speaker

went to Quebec in 2014.

Alpha Iota Chapter (Albuquerque) has welcomed two new members: **Mary Beth Garrett**, who is retired after 35 years as a teacher and Educational Diagnostician; and **Karen Carlson**, Professor Emeritus/Consultant for Nursing Programs and Pearson Curriculum Solutions, a career that extended over 26½ years. Both were initiated at our June luncheon which was held at the Black Angus Restaurant.

Installation services for chapter officers for the next biennium were also held at the June luncheon. **Jean Leonard**, past-president of Theta State, presided at this ceremony to induct **Ann Calderwood**, President; **Donna Moore**, 1st Vice President;

Mary Beavis, 2nd Vice President; **Kandi Dickenson**, Recording Secretary; **Frances Dodd**, Corresponding Secretary; and **Diane Bonnell**, Treasurer. Congratulations to all of you. After lunch, President **Betty Begeal** presented certificates of commendation to members for their interest and participation in **Delta Kappa Gamma**.

Mary Beth Garrett hosted our Program Planning Meeting on June 24. The several members who were present were asked to select from over 30 possible program themes presented by **Donna Moore**. From that list and some new ideas from the membership, a well-rounded and very interesting selection of programs will be presented at next year's meetings. **Alpha Iota** and **Sigma** chapters will meet together at our annual salad supper on August 25, 2014. **Ann Calderwood** will host this event which has become a tradition of the two chapters after many years.

Get Your Scrapbook Ready!

The scrapbook is a way to preserve what your chapter has accomplished during the year. What wonderful pages have been made by some of our chapters. Beta, Rho, Psi, Omega, Alpha Delta, Epsilon, Alpha Lambda, and Alpha Iota have given pages to me. Upsilon has contacted me and I will get theirs soon. I hope the rest of you are getting yours finished. You can bring them to the Birthday Luncheon in November or send it to me. We need the ones from last year. Everyone needs to do two pages on this year for the completion of the Scrapbook. Remember the guidelines: a 12" x 12" page that has borders on it so the display is actually 8 1/2" x 11". Please put captions so the people in the pictures are identified; also, telling what is happening in the photo is helpful.

Thank you for all your help.

Update on International Convention

From the President's Speech

Dr. Lyn Babb Schmid is the DKG International President for the 2014-2016 biennium. In her speech at the President's Banquet, she stated, "Vitality important in schools today is learning how to leverage distributed leadership to more effectively execute goals within members' sphere of school influence, to lead teams of educators to improve school environments, promoting learning of students and aspirations of teachers." Her goals for the biennium are:

- 1) Set High Quality Targets
 - Identify women who have potential to make a difference in their work and in their community and invite them to join a professional Society of key women educators;
 - Create a shared vision within the Society that has an appropriate level of ambition; and
 - Select initiatives to realize our program and membership goals, and test new strategies.
- 2) Enlist Diverse Opinions
 - Listen to people who have innovative ideas;
 - Assess organizational capability and culture; and
 - Encourage members to lead from any chair in the organization.
- 3) Take Multiple Shots on Goal
 - Brainstorm winning ideas and transform them into solutions;
 - Jumpstart growth and innovation project teams; and
 - Gain organizational buy-in for new ideas.
- 4) Learn from experience and experiments
 - Assess what has worked and what hasn't;
 - Develop simple steps to evolve to the next generation of the Society; and
 - Implement winning solutions throughout the Society.

Dr. Schmid informed us that we cannot fear change; in fact, **Dr. Blanton** encouraged change. As an 85 year old society, we must "progress forward." After all, Delta Kappa Gamma is a "spirit I take with me for the rest of my life."

Business Accomplished

At the beginning of each business session, our own Ina Jean Barnes presented the Credentials Committee report and moved its approval. At most, the voting strength of the assembly was 1,374. Dr. Helen Popovich (MI), Constitution Committee Chair, presented the proposed amendments to the International Constitution and International Standing Rules. The following amendments were **adopted** (list not inclusive):

- A new state organization shall have no fewer than forty (40) members.
- The International President will fill vacancies by appointment.
- Regional conferences will not receive funds to offset the cost of the state "night."
- States hosting an International Convention or Regional Conference may offer a reduced registration fee to members of the hosting team.
- **The Society will produce a collegial magazine** (unanimous affirmative vote)
- The DKG Bulletin will be published three (3) times a year, online.
- Honorary membership fee will be Forty-nine dollars and fifty cents (\$49.50).

The following amendments **failed** (list not inclusive):

- Adding "and in its sustainable development" to Purpose #7
- All amendments proposed to allow for General Election or Delegate Election options
- Holding Regional Conferences once every two years

The following was **postponed indefinitely**:

- Each member shall pay a World Fellowship Fee, annually.

Update on International Convention

International Convention 2014 in Indianapolis, Indiana, July 28th through August 1st was one of Sharing Our Vision-Strengthening Our Society with **Dr. Beverly Helms**. The place, JW Marriott, was terrific! The hotel was convenient and close to shopping, dining, and entertainment options which were all connected by the skybridge. **The Barnes' family** and **Amanda Matray** had fun with a progressive dinner at Harry and Izzy's with world famous shrimp cocktail and filet mignon, and then they got a bird's eye view of the city at the revolving rooftop, Eagle's Nest, while enjoying a decadent dessert.

DKG Conventions are a time for members to network, renew and grow friendships, and hear outstanding speakers. **Sarah Sladek** talked about *The End of Membership as We Know It*. **Ron Rosenberg** revealed "Hidden Secrets - Double Your Memory." **Dr. Ellen Kennedy** spoke to us about the world's fastest-growing criminal activity- human trafficking.

This convention was a constitutional convention where both governing documents (The DKG International Constitution and Standing Rules) were subject to change. Two big issues were: (1) Deciding on

allowing an option for a general election and (2) allowing more flexibility in the organization of Regional Conferences. Both proposals failed.

Dr. Jensi P. Souders was honored by receiving the 82nd International Achievement Award. **Dr. Lyn Schmid** from Pennsylvania was elected to serve as International President. Her new theme is **85 Years and Beyond Advancing Key Women Educators for Life**. She has put forth this challenge to you-"I hope you will join me this biennium in evolving the Society where it ought to be in order to sustain the magic of DKG".

Ina Jean Barnes served as Convention Credentials Chair from New Mexico. Ina Jean was also nominated by the International Nominations Committee to serve on the 2014-2018 International Nominations Committee. She was elected on Thursday by the delegates and installed at the Presidents' Banquet.

The Southwest Regional will be in Wichita, Kansas, July 22-25, 2015, and the next International Convention will be in Nashville, Tennessee, at the Gaylord Opryland Resort Convention Center July 5-10, 2016.
