

# New Mexico State Organization Officers and Committee Chairmen Report

NMSO State Convention Executive Board Meeting April 29, 2022

Executive Board Meeting:     \_\_\_Fall Meeting             \_\_\_X\_\_\_ State Convention

Date: April 29, 2022

Committee: Expansion Committee

Chair: Diana Valdez

Committee Members:

Charges during this period:  
Contact struggling chapters

Outcomes:

Attended an orientation with the State President in Santa Fe to help answer questions that might arise and to facilitate the presentation of the PowerPoint presentation. An induction of 6 new members in April and a new transfer will help move Beta Chapter forward.

Spoke with Upsilon chapter in support of recruiting measures. That chapter will induct 4 new members this spring. Questions about payment of dues for Spring inductions arose and will be forwarded to the By Laws Committee.

Orientation materials were requested and sent to the third chapter in Hobbs. Lambda is holding an orientation for perspective candidates in March or April.

**Recommendations requiring action by Executive Board:** The committee moves that no state organization dues for inductees after January be charged.

**Rationale:** International dues are no longer collected after January and this would put this State practice in alignment with International practices. It would make recruitment more appealing if only chapter dues were charged, which would be an optional chapter decision.

Respectfully Submitted,

*Diana Valdez*
