Executive Board Meeting: _____ Fall Meeting _____ State Convention

Date: October 7, 2020

Committee: Leadership

Charges during this period: To plan and develop a leadership training for incoming chapter presidents. Present information to New Mexico members on leadership topics. Write an article for the state newsletter.

Outcomes: Due to restrictions for large gatherings due to Covid 19 health concerns, the summer in person training was canceled. A survey was sent out to members in leadership positions about their needs for leadership training. The majority of responses indicated a self-paced and self-selected set of resources would best suit the needs. A virtual library of leadership resources is being developed by New Mexico members to be hosted on the New Mexico website. It will include links to the International resources for members and for leaders of chapters. An article updating the work of the committee and the call for volunteers to submit materials for the virtual library was written and published in the newsletter. No funds were spent on 2020 leadership and a request to for funds for the 2021 Leadership will be made pending the ability to meet face to face.

Recommendations requiring action by Executive Board: Request that funds be available that are already budgeted for a 2021 leadership if meetings can be scheduled.

Rationale: No funds were used during 2020 for leadership training and/or meetings. There is a need to meet and hold a training for both chapter presidents and new incoming state leadership members.

Respectfully Submitted,

Susan Swope Committee Chairman
