Executive Board Meeting: X Fall Meeting State Convention

Date: 10-22-20

Committee: Program

Chair: Theta State 1st Vice President Pat Graff, NBCT

Committee Members: All Education Excellence Committee Chairs

Charges during this period: To support programs and activities for members at the chapter and state levels

Outcomes: Chapter continue to offer a variety of program with speakers and activities, as well as participating in numerous community service projects. When the pandemic caused chapters to NOT be able to meet face-to-face, most developed a program of virtual meetings, which continue this fall. The 1st VP wrote two different articles for Theta State News with program ideas and outreach activities for chapters during this unusual time. The 1st VP also worked with the Central Coordinating Council to plan a series of workshops for the Fall Meeting in November and has facilitated the switch from a face-to-face meeting to a virtual one. Work has begun on submitting a Cornet Grant application to provide programming for early career educators and classroom teachers that would be offered by chapters during the 2021-2022 academic year. Pat Graff has been appointed as the Southwest Representative to the DKG International Education Excellence Committee for the 2020-2022 biennium.

Recommendations requiring action by Executive Board: (None)

Rationale: (NA)

Respectfully Submitted, Pat Graff, NBCT & Theta State 1st VP
