The Delta Kappa Gamma Society International of New Mexico

International President to Honor NM

Lyn Schmid is an educator that has a passion for people. She started out in her freshman year at Auburn University to be an architect. But her Freshman advisor pointed out that her small High School in Roanoke, Alabama only allowed the girls to take Home Economics, not the requisite Mechanical Drawing that the boys were directed to study. That glass ceiling experience led the way for **Lyn** to embark upon a career in education. And she agrees that developing her passion for people, rather than buildings, has been a rewarding choice.

Lyn has taught Secondary English, been a Secondary and Elementary Reading Specialist, a Reading Supervisor, and retired as an Elementary Principal. After **35** years of service in public education, her most recent position was serving as a National Assessment of Educational Progress assessor for the US Department of Education.

After receiving her Bachelors Degree at Auburn, **Lyn** earned a Master's Degree at Millersville University of Pennsylvania. Her Doctorate in Educational Leadership and Policy Studies was conferred at Temple University, Philadelphia, PA.

Lyn loves to watch college football and basketball. She has been widowed since 2006, and loves her dog **Lola**, her friends, and her two big brothers. Discussing books, movies, and women in leadership over a fabulous meal with a glass of wine is her idea of a great time.

Lyn is positive, reflective, and an enthusiastic leader. She loves humor and its power to change attitudes. As the DKG International President and Administrative Board member, she believes that the Society is truly moving forward and will emerge as a stronger organization in its current technological evolution. **Lyn** wants us all to hold fast to our heritage, be creative with our future to realize our purposes, and launch Delta Kappa Gamma as a preeminent professional education organization.

80 Years Strong and Growing!

The Delta Kappa Society International in New Mexico, Theta State, will host its 80th convention from **April 24 - 26, 2015**. The event will be a memorable one at the **Lodge of Santa Fe**. Be sure to send your registration (page 6 of this issue) and be ready to celebrate **THETA STATE**.

The workshops will include presentations about the Educational Retirement Board, Golden Apple, Forestry, Genealogy, Essential Oils, Engaging Classroom strategies, and Apprenticeships. **Dr. Lyn Schmid**, International President, will be our guest speaker at the banquet and will present a workshop titled, "Membership Recruitment and Engagement: A Different Concept." Our state president, **Sheri Williams**, says:

This *extra* dynamic program is bound to be *extra* beneficial to Theta State chapters in turning the tide of membership and increasing the number of key women educators in New Mexico. **Dr. Schmid's** workshop is based on a book by **Sarah Sladek**, *Knowing Y: Engage the Next Generation Now!* She will use research from **Sladek's** book to show how to reach the

new generation of teachers. For example, some people have the misconception that the younger generation lacks loyalty in relationships. Research indicates, however, that this is not true. They are not loyal to institutions; they are loyal to people. This new generation commits when meaningful, trustworthy relationships are actively present.

Of course, we will do business at the convention. Changes to the Standing Rules can be found on pages 10 & 11 of this Theta State News issue.

If you are a vendor you can rent a table (form on page 7 of this issue). The Public Relations Committee has beautiful pins for sale. You can purchase them for \$2.50 each. They make beautiful gifts for chapter members or to give as gifts at SW Regional and International meetings. **Gwen Hamilton** will have pins and bookmarks available at the convention (see ad this page).

While in Santa Fe, members will have time to tour and shop. The State Officers hope you are getting ready for a spectacular Convention!

CCC Luncheon

On February 7th almost 40 women gathered in Albuquerque for the annual Theta State CCC Luncheon. After the guests checked in they were welcomed by CCC Coordinator **Ann Calderwood** (Alpha Iota). **Beverly Stern** (Alpha Beta), Vice Coordinator for CCC offered the Invocation, and CCC Treasurer **Priscilla Brower** (Alpha Delta) introduced the state officers who were present.

Theta State President **Sheri Williams** gave a special greeting and extended an invitation to the State Convention in April. Afterwards, we were delightfully entertained by a quartet from the women's vocal group "**On Q**". Their three songs were very well received by our guests.

After a delicious buffet lunch featuring salmon and a variety of side dishes, **Pat Graff** (Gamma), the Corresponding Secretary for CCC introduced our guest speaker **Kathleen Church** whose presentation was entitled "Peggy Pond Church Speaks of the Soul of New Mexico." **Kathleen**, a retired educator and school administrator, spoke about her

mother-in-law, poet and author **Peggy Pond Church** who lived in Los Alamos for twenty years. Church's book, *The House at Otowi Bridge*, has been popular since it was first published in 1959, and several volumes of her poetry as well as a biography of **Church** have also been published. As a special bonus for our luncheon guests, **Kathleen** gave each of us a copy of a volume of Church's poetry, *Accidental Magic!* After the luncheon, **Kathleen** had an opportunity to sell books of poetry and one of the children's books written by **Peggy Pond Church**.

After this very special presentation, past Theta State Presidents were recognized, and then **Jeannette Vigil** and **Dianna Valdez** made a lively announcement about the upcoming Spring Convention in Santa Fe. Our luncheon ended with drawing for door prizes and the singing of the Delta Kappa Gamma Song led by **Donna Moore** (Alpha Iota).
