The Delta Kappa Gamma Society International of New Mexico

## Theta State Celebrates 81st Birthday

A special thanks goes to the Central Coordinating Council for organizing a tremendous Birthday Luncheon! The guest speaker, **Courtney Custer**,

Roots of Empathy  
Racines de l'empathie

enlightened us about the program, *The Roots of Empathy*. The program began in 1996, and is especially important in the battle against bullying in schools. Currently, only Albuquerque has a program, but it is hoping to expand.

**Ann Calderwood** recognized the past presidents that were present. President **Susan Swope** recognized the hard work of Theta State. **Yvette Moore** read an original poem to recognize the founders

of Theta State, and **Gay Simpkins** led us in the Birthday song.

The women of West Council invited us to Grants, NM, for the Theta State Convention in 2016, with a wonderful song.

For those who were able to attend the pre-luncheon workshops, we were treated to training, crafts, and encouragement. As always, NM sisters are wonderful teachers!

In this issue, you will find an early registration form for the State Convention (pages 8 & 9). Begin making plans now. You won't want to miss a minute with Theta State Sisters.

## Women Teachers to the Calling . . .

Ring, Ring. . .

Hello?

Did you hear about all the great things that happened at the fall meeting? We had a quick business meeting. The committee chairs had an opportunity to share all the great things they have been doing, and there are some great plans for the future. There were some vendors to give us a chance to do some early Christmas shopping. The workshop for the presidents and treasurers had some good information and provided time to visit and share. Sisters got to make the cutest little angels as a quick craft. The food, as usual, was wonderful. The guest speaker shared about a program in Albuquerque Public Schools that is very innovative and will surely make a huge impact for the students involved in the program. We got a lot done in just one morning and still had time to catch up with all our sisters.

Are you going to go to the State Convention? The West Council sang an original song during the luncheon with all the details. I am looking forward to going back to Grants April 29, 30, and May 1. The Theta State News is going to have the registration form, and it will be online on the Theta State website (<http://thetastatenmdkg.weebly.com>). I heard a lot of talk about the plans, and it sounds like a really great time. I hope you will be able to come. It is always so much fun to meet the newly elected presidents from all the chapters and celebrate with the outgoing presidents as their biennium comes to a successful end.

My goal for this biennium is for us to grow stronger chapters and stronger relationships with our fellow

sisters. I have already been to a couple of chapters, and they are doing great things to get new members and build chapters where members are valued and included. I am hoping to share these ideas around the state. Our state is full of remarkable ladies, and every sister is an important part of our Society. I want to celebrate us, foster our growth, and support all that The Society has to offer.

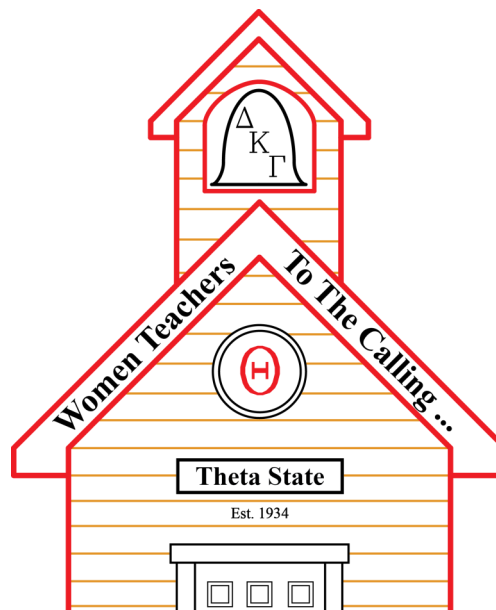

It has been really great to talk to you today. I guarantee that I could not do this job without all the sisters around the state helping me. I look forward to our next visit, and I can hardly wait until we have a chance to see each other.

Talk to you soon!

## Committee Communique

### Honoring the Honored

One of the proudest moments in my life materialized when my department head asked me to join Delta Kappa Gamma. The honor was breathtaking. Now, as a member of the Awards Committee, I wonder... how do you honor the honored? That answer is easy! Submit to the Awards Committee your nomination for the **Theta State Achievement Award**. Please present documentation of how your candidate has served Theta State and fulfilled the seven purposes of DKG International.

The candidate must have been a member for at least ten years and may not be a previous recipient. Any chapter or chapter member may submit a nomination.

Theta State Chapter Members may also submit documentation for **Certificates of Merit**. This award is for those who have given outstanding service to Theta State New Mexico. There are no restrictions for length of membership and no limitations for the number of recipients.

Please submit your nomination/nominations by March 1, 2016 to Sharon Sevachko ([my.honey.sharon@gmail.com](mailto:my.honey.sharon@gmail.com) or 5925 Robledo Rd., Las Cruces, NM 88012). Awards will be presented during the Theta State Convention. This is our chance to commend the women in our chapters who make exceptional things happen in DKG.

*Sharon Sevachko, TS Awards Committee Chair*

### B. June West Recruitment Grant Recipient Wanted

In April, the Professional Affairs Committee was delighted to present the B. June West Recruitment Grant to Tianna G. Sevachko of Las Cruces. We now NEED your help in finding a worthy recipient of the Grant (\$350) for 2016. The Grant is awarded to a female (non-member) to advance her educational studies. Your nominee must meet one of the following requirements:

- \* a graduating high school senior, or
- \* a college student in education, or
- \* a worthy woman needing educational assistance

Please submit an application\* no later than March 15, 2016. The form may be completed by the applicant or a DKG member who is recommending the possible recipient. The winner will be announced at the 2016 State Convention in Grants.

## Personal Growth and Services Wants YOU!

Greetings Theta State Sisters!

When Susan asked me to be the chairman for the Personal Growth and Services committee, I asked her if she were sure. The work of the committees in DKG has always been the murkiest mystery to me. Sheri Williams, Immediate Past President, assured me that I would do well on this committee, and that I would probably enjoy it. So, I said, "Sure." Three and a half months into the assignment I am still unclear as to what exactly is expected of me and my committee members (other than collecting money for the emergency fund). I have read our standing rules/bylaws but am unsure what it all means. So I decided to make this article a call for help.

Since personal and professional growth are so closely entwined in Delta Kappa Gamma, seeking program ideas may fall into the realm of this committee. If I am way off, please let me know. My first idea is that chapter members, YOU, send me examples and ideas for programs you are doing in your chapter to address personal or professional growth. For example, Alpha Lambda had a program on self-defense at our last meeting. What is your chapter doing?

My second idea asks for you to let me know in what kind of service does your chapter participate? Our state service projects line up with DKG International projects and include Schools for Africa and working with Early Career Educators (those new to the profession). Does your chapter have any other areas of service?

I would like to create a data base for our website to give chapters some new ideas in both of these areas. This could be a place where new vice presidents could look for program ideas on our own web page. It could be a place of encouragement for struggling chapters. Let's help each other grow stronger!

So, until I have learned a little more about what is expected of this committee, this is where I want to start. Please send your thoughts, ideas, corrections, and excitement to me at [joanneclarkson@gmail.com](mailto:joanneclarkson@gmail.com). You can also contact one of my fellow committee members as well. Until we meet again!

Committee Members:

## Early Career Educator Conference Set for ~~Dec. 5~~

The second annual Early Career Educators Conference, hosted by the Central Coordinating Council of Theta State, will be Saturday, Dec. 5, 8:45 a.m.- 12 noon at the ATF office, 530 Jefferson NE, Albuquerque, NM.

New pre-service, and experienced teachers are all invited to attend this event **at no cost!** Registration for the event is done by simply emailing **Dianna Valdez** at [valdez@aps.edu](mailto:valdez@aps.edu). Participants from ALL schools are welcome, including public, private, parochial, and charter schools.

Help is needed to spread the word of this event! To get an electronic copy of the flyer which can then be emailed to groups of educators, please contact **Jeannette Vigil** at [leahvigil19@gmail.com](mailto:leahvigil19@gmail.com).

Program plans include a panel of educators, six small group workshops, refreshments, and door prizes. All

participants will also receive a "goodie bag" with school supplies and more.

This event last year was wonderfully inspirational and a tremendous educational service activity for our members. We look forward to even more participants and a successful program! Any interested beginning teacher is welcome to attend this event for free!

All Theta State members are welcome to attend as well. At the recent Theta State fall meeting, past president **Sheri Williams** reminded us that hosting these events is a fairly easy event for chapters to do, and it is a terrific recruiting tool and community service. Please let **Pat Graff** know if you wish to participate by emailing her at [PGraff@aol.com](mailto:PGraff@aol.com).

IT HAS BEEN POSTPONED  
WE'LL KEEP YOU POSTED

### Vigil is New NM IRA President

**Jeannette Vigil**, longtime Gamma member, is the newly-elected state president of the New Mexico chapter of the International Reading Association.

She will work with the state organization, which is dedicated to improving literacy instruction and professional development for teachers throughout the state, for this next year. This job includes supervising state conferences, officer meetings and trainings, and numerous literacy initiatives.

We congratulate **Jeannette** in this latest leadership position and know NMIRA is in excellent hands!

*Pat Graff, Gamma Chapter*

### Jackson Becomes NCSS President-Elect

**Peggy Jackson**, Gamma member, recently assumed the position of President-Elect with the National Council of Social Studies (NCSS), the first New Mexican to hold this position.

In this role, **Jackson** has already traveled to numerous state social studies conferences throughout the country. In addition, she is the chair of the NCSS annual convention in Washington, DC, scheduled for December 2016. This summer she will assume the role of national NCSS president. Congratulations to **Peggy Jackson**!

*Pat Graff, Gamma Chapter*

### Graff Elected to National NCTE Office

**Pat Graff**, Gamma president, was recently elected the Nomination Committee Chair for the National Council of Teachers of English (NCTE). This national position will have her working with English teacher leaders across the country to build a slate of candidates for the 2016 NCTE elections.

As part of her duties, **Graff** will travel to the NCTE national convention in Minneapolis this November for several days of national work.

The Nominating Committee Chair is the individual, of 15 on the national ballot, who received the most votes of any candidate in the 2015 elections. **Graff** in the past has served on several nominating committees, was the national chair of the Standing Committee on Affiliates, served two years on the NCTE Executive Board, and was awarded the national Distinguished Service Award in 2001.

### Yvette Moore Is Published

The Fine Arts Jury of Delta Kappa Gamma selected **Yvette Moore's** poem *When I Am 92* for its Fall 2015 edition of the Fine Arts Gallery. The poem was begun by **Velma Jones'** great-grandchildren and was completed by **Yvette**. She considers her grandmother a renaissance woman who did not have the opportunities that her granddaughter had. Although **Velma** never considered herself a "smart" woman, she succeeded at everything she attempted. She became an accomplished drafter, baker, gardener, needle worker, seamstress - and too many more activities to list. **Velma Jones** was still making beautiful meringues until 2 years ago when a broken foot forced her to a bed.

Any member can submit poetry, photography, images of artistic projects (textile, ceramic, sculpture, etc.) for the juried panel to consider.

The poem can be accessed at: <https://www.dkg.org/content/fall-2015-poetry>. "I encourage all Theta State sisters to contribute and show DKG our talent."

## Gamma Chapter News

### Gamma Chapter Hosts Outstanding Speakers for Programs

In the past year, Gamma chapter has been blessed with some amazing speakers from our community. Here's a list of a few highlights:

\* **Kathlyn Graham**, NBCT, with her colleague, presented an informational and high-sensory workshop on the values of essential oils for one's well-being and health. (She also graciously agreed to do the same workshop for the Theta State workshop in Santa Fe)

\* **Ritamarie Theiler**, NBCT, brought in her service dog, **Capeta**, and shared how she uses the dog to support the learning of autistic students in her APS special education classroom.

\* **Andrea Fletcher**, an educator with the Metro Detention Center in Albuquerque, did a relaxing and interesting workshop on simple yoga and relaxation techniques members can use.

\* **Priscilla Brower**, president of Alpha Delta chapter, shared slides and stories for her amazing trip to China this past year.

\* **Sheri Williams**, Theta State immediate past president, addressed the group at the 2014 Christmas brunch and shared inspirational words and stories.

\* **Elizabeth Pelz**, a representative from Silver Horizons, an important service organization that provides food, utility support, and other vital needs for senior citizens in the middle Rio Grande area, shared the work of her organization and how members could get involved.

Gamma is very grateful to all of these individuals for taking their time to share important information with our members. It should be noted that, through Gamma's work, three different workshop speakers, for the 2015 Theta State convention in Santa Fe, were provided for more members to hear this terrific information.

### Lucille Thompson

Celebration of Life - October 8, 2015

**Lucille Thompson** was a long-time member of Alpha Epsilon Chapter in Farmington. She served as the chapter president and on convention and TS committees during her membership. She was an active member until her health failed and her family moved her to Colorado. Lucille was born January 5, 1926, and passed away September 19, 2015. The family had a very beautiful floral arrangement at her service with pictures of Lucille at different times in her life (Lucille's picture is attached).

President **Karen Ransom** was joined by **Joan Lewis, Pat Gifford, Janet Kittell, Aldean Peck, Victoria Schmidt, Caroline McDonald, Tawna Dailey, Verdel Kartchner, and Gloria Hornbecker** to remember Lucille. We received a note from Lucille's family, "On behalf of our family, we want to thank you for the lovely tribute given at our Mother's funeral. Thank you for all the kind words and thoughts," [signed] **Susan Bartzon, Robert Thompson and Marti Hartnell**. Also, from a printed bulletin *In Loving Memory of Lucille M. Thompson*:

#### TEACHER'S PRAYER

Lord, please bless my students and help them as they grow:  
May I teach them faithfully the things they need to know.  
So they may face the future knowing they are prepared,  
And when they think of the school days,  
May they know their teacher cared.

*Karen Ransom,  
Alpha Epsilon Chapter President*

### Alpha Epsilon - October Meeting Highlights

**Michelle Mullenix** presented some interesting ideas for getting organized. **Cynthia** said, "I appreciated her infusion of biblical quotations regarding the need for order in our lives. I left the meeting feeling inspired and ready to tackle my spice cabinet."

**Ella Kelly** also enjoyed **Michelle's** presentation of organizing the way we think and live. "Don't use standard labels to create a filing system if they do not fit your needs. Also, be aware that organizing a room creates a mess before everything is in a better place, given away, or discarded.

There are four steps in organizing:

1. Initial Sort—quick sort items into categories: no decision, to keep, or yet to be discarded
2. Final Sort—in each category, divide into two groups: keep or discard.
3. Prioritize—Is each "keep item" easy to find, easy to clean and easy to put away?

*(Continued across to right)*

4. What is needed to make a space work? For example, "Is there enough room for items I already have and for

### THAT'S NEWS!

(A snippet from Alpha Theta's August - November newsletter)  
**Alpha Theta Celebrates Opportunities for Growth**

The 2015-2016 schedule of meetings, socials, and service projects provides a full slate of information, education, service, and camaraderie.

On August 22, at 10:00 a.m., **Terri Castillo** hosted a back-to-school back yard social in her home. Taco brunch fare was provided by the officers. It was a special treat to have the new Theta State president, **Susan Swope**, welcome our members to the onset of the 2015-2016 opportunities for Alpha Theta chapter.

**The Daniels Leadership Center** on the campus of New Mexico Military Institute was the location of the September 15 meeting at 6:30 p.m. **Terri Castillo**, Alpha Theta president, led attendees in a time of recommitment of DKG initiatives and an overview of the 2015-2016 year.

The next regular meeting was held in the home of **Charla Featherstone**, Alpha Theta treasurer, on October 15 at 4:15 p.m. The program was provided by **Nancy Toth** who teaches at Roswell's Early College High School. She and the school's principal gave members insight into the workings of the school.

Each year October brings evidence of autumn colors and Alpha Theta's service project commitment at Roswell's Assurance Home. On the last Sunday afternoon of October, our chapter hosted its annual pumpkin cutting and cookie decorating project with the young residents of the Assurance Home. The event was hosted by the Mentoring and World Fellowship Committee.

*Courtesy of Maureen Peden*

We look forward to the November social planned for 6:30 p.m. at the home of 1st Vice President **Sharee Hanes**. Members will have a Soup-tacular time of fun and fellowship and will enjoy a scarf exchange.

On December 10 at 4:15 p.m., our members will meet at the lovely home of our own **Pat Burnett**, past Theta State president. Members will participate in a mug exchange and will hear State Representative **Nora Espinoza** speak. The evening's Golden Nugget will be provided by the Personal Growth Committee.

We hope all our members will participate in each meeting, social, and service project and work to strengthen our local chapter.

## More Chapter News

### Lambda & Alpha Lambda SEES

The chapters of Lea County (Lambda and Alpha Lambda) hosted their second annual Early Career Educators workshops on October 24<sup>th</sup> at Hobbs High School. Sixteen teachers, new teaching or new to the area came to take advantage of this free professional development opportunity. Workshops on elementary and secondary classroom management, TESOL, dealing with difficult parents, and setting up classroom procedures were some of the offerings this year. **Dianna Fesmire** (Kappa Chapter, Alamogordo), New Mexico's teacher of the year for 2011, was the

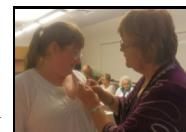

keynote speaker. Survey results show that everyone found the workshops very helpful because the workshops were led by teachers in the field.

*Joe Clarkson, Alpha Lambda*

### Omega Update

Omega's first meeting of the new season began with the initiation of **Alice Morris-Jones**, a special education teacher at White Sands Elementary and Middle Schools. Following the initiation, **Barbara Jewett** reported that among several contenders, **Olivia Acuña** was the winner of Omega Chapter's \$500 grant-in-aid which was awarded at the NMSU Scholarship Reception.

Chapter president, **Sharon Sevachko**, announced that a penny collecting competition between two teams would be Omega's project for raising funds for the DKG International Project, supporting African schools. The meeting ended with the wrapping of candy favors to be distributed to local schools.

The October meeting was held at Picacho Hills Country Club in Las Cruces as Omega hosted Kappa Chapter for the annual Regional Meeting. Kappa president, **Shawna Denney**, was in attendance as well as six additional chapter members. We were also pleased to have Theta State President, **Susan Swope**, join us for this occasion. The Club provided the attendees with a SUPER, much appreciated luncheon. A drawing for door prizes ended the afternoon.

*Sharron Stepro, Omega Chapter*

The November meeting was to be Frances Shutt's 103<sup>rd</sup> birthday. Frances was in the hospital, but she is home now, and as feisty as ever. Bill Soules, NM State Legislator, updated Omega on the NM Legislator and gave us some ideas for involvement. We were pleased to also host **Olivia Acuña** and her daughter.

*Yvette Moore, Omega Chapter*

### Alpha Iota is implementing a new

endeavor to add members to our chapter. Current members have been asked to fill out prospect cards with the names and other information about friends, acquaintances or anyone they know of who is eligible to join DKG. Several names were turned in at the September meeting, and the prospects were invited to attend AI's meetings. Numerous responses have been received. We are looking forward to positive results.

The program subject for our October meeting was "Essential Oils", and was presented by **Kathlyn Graham**, a representative for Calmin Scents. She explained that many oils can treat common ailments such as migraine headaches, stress, anxiety, and other physical problems. Each oil was passed around for our examination.

Ten members of AI attended the 81<sup>st</sup> Birthday Luncheon and Fall Conference on November 7. AI president, **Ann Calderwood**, presided at the luncheon. The chapter also filled a table with dry mixes which were sold during the breaks in activities. This is the third year that the chapter has sold mixes at this event, and it has proven to be a successful fund raiser.

*Alyce Cummins, Alpha Iota Chapter*

Martha Deveneau & Diane Bonnell

I recently received information from **Nancy Newton**, Immediate Past President of Texas State Organization regarding NM Past President, **Connie Gilbraith**:

I just came from a short visit with **Connie**. She looks great and had just come back from exercise but only speaks one word at a time, mainly repeating what is said to her. **Connie's** daughter, **Judy**, and her husband, **Al**, have moved here to help **J.V.** take care of her. **Connie** and **J.V.** are still in independent living at a lovely facility here.

If you would like Connie's address, please contact Yvette Moore at: [yvettemoore630@gmail.com](mailto:yvettemoore630@gmail.com)
